## NEWSY ITEMS FROM OUR EXCHANGES

Wayne Herald: Mrs. H. F. Foley and children returned Sunday evening from Lake City, Ia., where they were visiting.

Pender Republic: W. E. Pounds, of Pipestone, Minn., was here from Saturday until Wednesday visiting his parents, W. W. Pounds and wife, and other relatives.

Allen News: John Lindahl was transacting business in Goodwin on Monday. Mr. and Mrs. Stanley Woodworth and daughter, of South Sioux City, returned to their home Monday after spending the week-end at the Claude Wheeler home.

Fullerton Post: Mr. and Mrs. Brunelle came from Madison, Wis., the latter part of the week and have leased rooms in the Mrs. N. N. Barber residence. They were married during the vacation and on Monday night the pupils of the high school and the junior high gave them a noisy reception.

Laurel Advocate: George Wilkins of Emerson, was here last week looking after the income tax statements of 1917, 1918 and 1919. Mr. Wilkins had a most excellent compliment for the people of Laurel with whom he came in contact in his work—and that was that they were the most pleasant to deal with as a whole of any place where he has had dealings during his nine months in this work.

Pierce Call: The Norfolk News of last week says that Glen Emory, who was recently arrested for peddling booze from a "still" found on the Pete Peolot farm, north of town, was arrested in Norfolk for assaulting and beating an officer. He also had booze in his possession. He was thrown in the "jug" to cool off. It looks to us that with federal and state indictments hanging over the young man that he is "elected" to serve a greater portion of his best days in the penitentiary.

Bloomfield Monitor: Prof. A. B. Rich, superintendent of the Bloomfield schools, and Miss Ruth Harr, formerly one of the grade teachers, were married at Hastings, Neb., on December 28th, the knot being tied by the Rev. McCaskell of the First M. E. church. The groom is serving his second year as superintendent of the local schools and is well and favorably known to a majority of our readers. The bride is a graduate of the Beaver Crossing high school and also of the Peru State normal. She taught in the eighth grade at Ulysses and Geneva, this state, before coming to Bloomfield. The newly-weds returned the latter part of last week and have settled down to housekeeping. The Monitor congratulates.

tives. W. H. Mason and wife spent New Year's afternoon with Ralph Mason and family at Rosalia. Miss Ruth Gribble of Chambers, returned to her home last Sunday after a few days visit at the N. H. Hanson home. On Monday evening a merry crowd gathered at the home of Mr. and Mrs. C. T. Barto to help them celebrate their 60th wedding anniversary. After a sumptuous supper, the evening was spent in visiting and music, and Grandpa danced a jig to please his grandchildren. There were eight children and ten grandchildren present. After congratulating the aged couple the guests departed wishing them many more years of happy wedded life. Those out of town were Mrs. Alice Cassler, of Omaha, and Mrs. Lydia DeGraff, of Emerson. Charles Barto was born in Crawford county, Pa., February 8, 1837. Estella Cooley was born in the same county in 1845. They were united in marriage January 3, 1861, and moved to Illinois in 1862, coming to Dixon county on May 3, 1869, and moved on their homestead just north of town, now owned by J. H. Montgomery. They lived there continuously except the years 1884 to 1888, while Mr. Barto served at Ponca as treasurer until fifteen years ago when they sold their farm and moved to town. Seventeen children were born to them, two dying in infancy. Mrs. Lucy McLain died at Yanikon twenty-four years ago and Mrs. Nancy Danielson of the fu two years ago, leaving thirteen living at this time and 39 grandchildren and 8 great grandchildren. ## Farm Bureau Field Notes

C. H. Young, County Agent. The annual meeting of the Nebraska Farm Bureau Federation, held in Lincoln on Thursday and Friday of last week established a new record. For the first time in its history it was the best attended of the seven-ten organizations holding their annual meetings at that place, during the week. The constitution of the Federation was revised so that the directors were elected by districts instead of at large from over the state. Mr. E. H. Gribble, who with his son, operates large farming interests west of Dakota City, was elected from the northeast district. This comprises the counties of Dakota, Thurston, Madison, Holt, Cumig, Dodge, Colfax and Platte. One director in each district is allowed for each four counties or major portion thereof. Mr. C. Y. Thompson of West Point, was the second man elected from this district. The board of directors elect their own presiding and other officers. This will take place at their first meeting which will be held the 27th. Mrs. J. T. Graham, of Dakota City, was re-elected president of the State Homemakers' association. Reports show a splendid growth in this branch of the work, during the year.

FOR SALE. One Aged Poland China boar, and several spring boars. Don Forbes, Dakota City, Neb.

## DAKOTA CITY SCHOOL NOTES

J. Irwin Long, Superintendent

(Written by George Labrs) The high school basketball team went to Walthill Friday and were defeated by an overwhelming score of 42 to 10. Our team seems to be a little slow compared with the football record, but we are hoping that our future games will be of such a kind that this one withering defeat will be overshadowed, so that it will be looked back to as a child's game in which our team was unlucky. The game would not have been so one-sided if our boys had made the goals they threw for. It seems as though the baskets were "hoodooed," for every time the boys threw goal the ball would bounce around the basket and fall on the outside. A fine, fast game, however, was enjoyed, and it is hoped our boys will strengthen themselves.

The boys' and girls' teams will go to Ponca Tuesday evening, where both teams will try their luck again at basket throwing.

The play is progressing smoothly except that it is coming at a very busy time. The classes are all preparing for the semesterly examinations, and aside from a few theses, half a dozen or more outlines, six or seven written lessons and the tests mixed in, we are not so rushed but that several hours a week can be spent on the play.

Another gum theme was a point of amusement the first of this week. We are withholding the name until a second offense. Some very fine points have been brought out in favor of gum chewing.

## RESOLUTION

To the worthy matron, officers and members of Dakota Chapter, No. 65, Order of Eastern Star:

We will miss the fellowship of a faithful member, therefore be it Resolved, That our chapter room be draped in mourning for a period of ninety days in memory of our departed brother; that a copy of these resolutions be sent to the family; that they be published in the Dakota City papers, and that they be made a part of the records of the chapter.

FANNIE W. CROZIER, ALICE M. WARNER, GERTRUDE M. BEST, Committee.
